mankind"

John Kennedy
Address to United Nations
September 25, 1961

It was a
good 20 year.
you wish you
remember the best of
things in the future. Call me
phone is 826-3896. still be
sometimes friends so we will
Love,
Keenan T
(Laura)

The world is a beautiful place
to be born into
if you don't mind some people dying
all the time,
or maybe only starving
some of the time,
which isn't half so bad if it isn't you

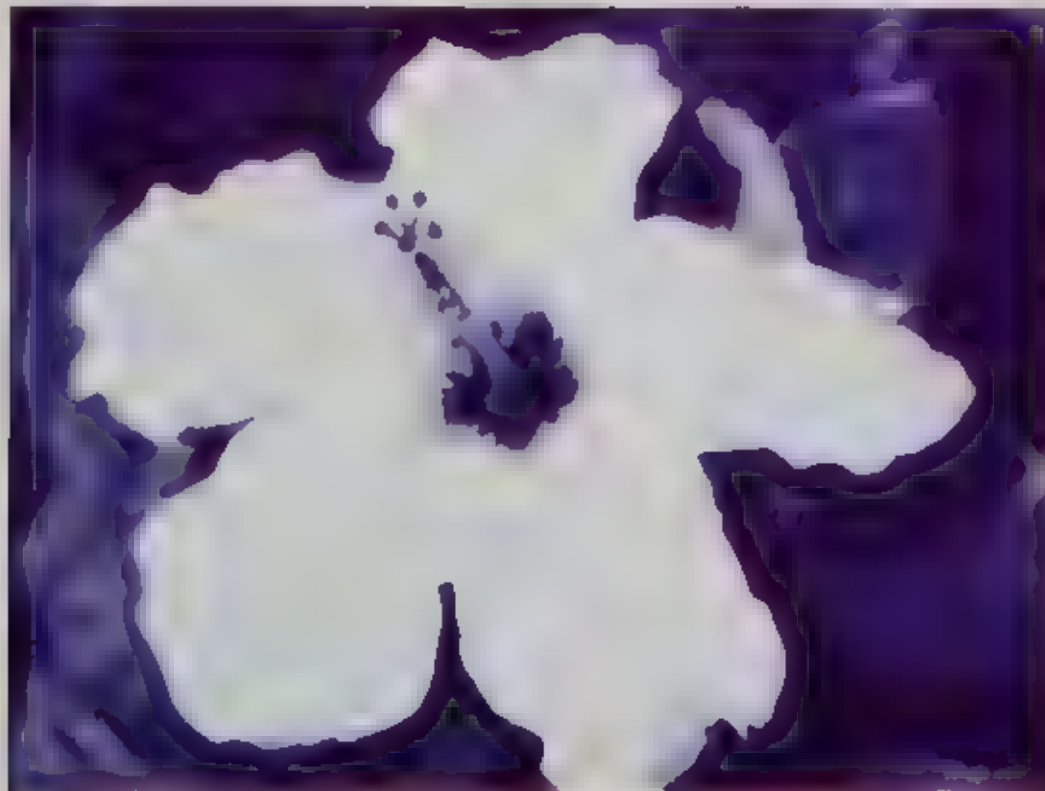

L. Ferlinghetti

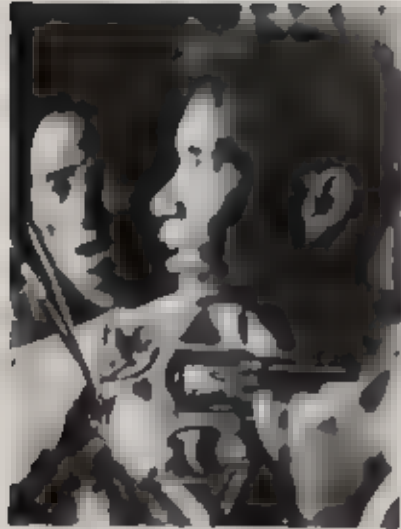

Some say the world will end in fire
Some say ice
From what I've tasted of desire
I hold with those who favor fire
But if I were to perish twice
I think I know enough of hate
To say that for destruction ice
Is also great
And would suffice

Robert Frost

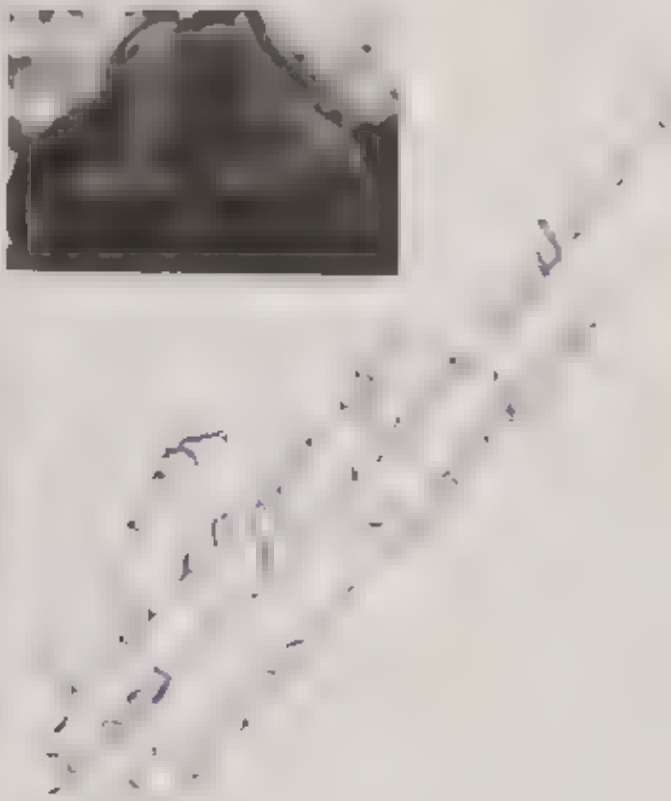

Oh the world is a beautiful place to be born into
If you don't much mind a few dead minds
in the higher places or a bomb or two
now and then in your upturned faces

L. Ferlinghetti

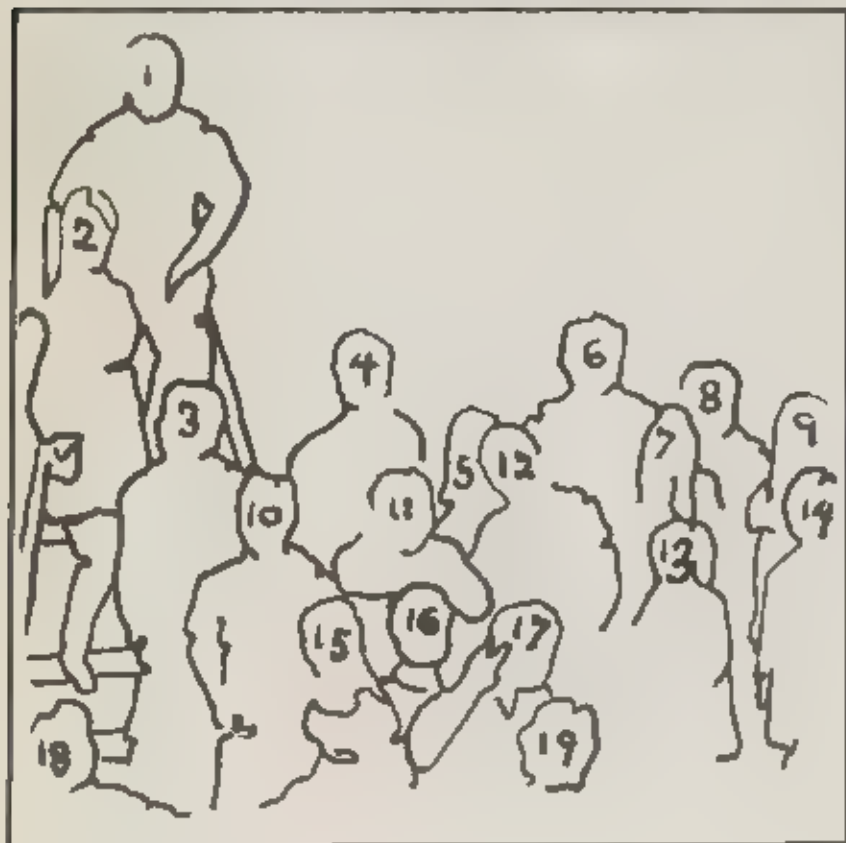

I don't know you hardly at all but you seem
like a very nice person. Don't change. Have fun
in the summer. your friend,
Dannie

NOT SHOWN: Mike Fenley

Mike Brandos, CASC President

Kennedy was proud to have two officers in the California Association of Student Council. Kennedy is in District 17, along with fifty other high schools and some 200,000 students.

Mike Brandos held the office of President and Marina Naito was treasurer.

CASC works on both the State and National level to build a better educational system

As President Mike traveled to Burlington, Vermont, where he and five other students represented the state of California to the National Conference

He also had the responsibility of coordinating all the work between schools, District, and state

Marina had the task of collecting the dues and keeping up with all of the financial aspects of CASC

Again congratulations to Mike and Marina for this high honor.

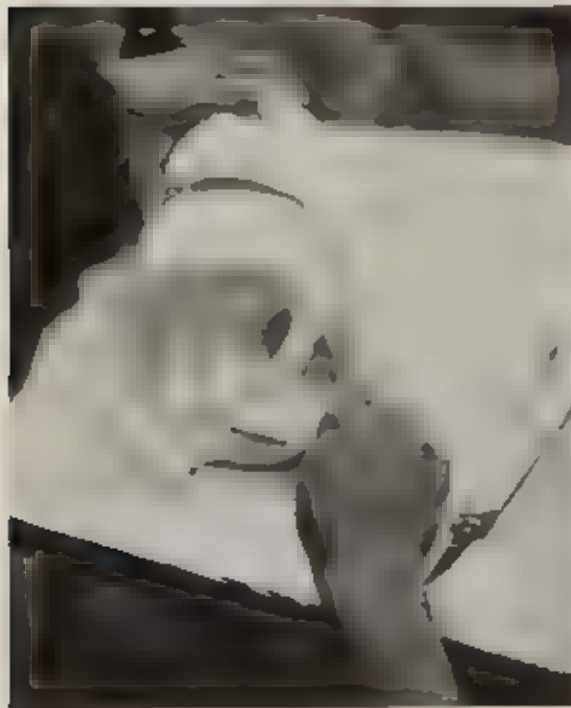

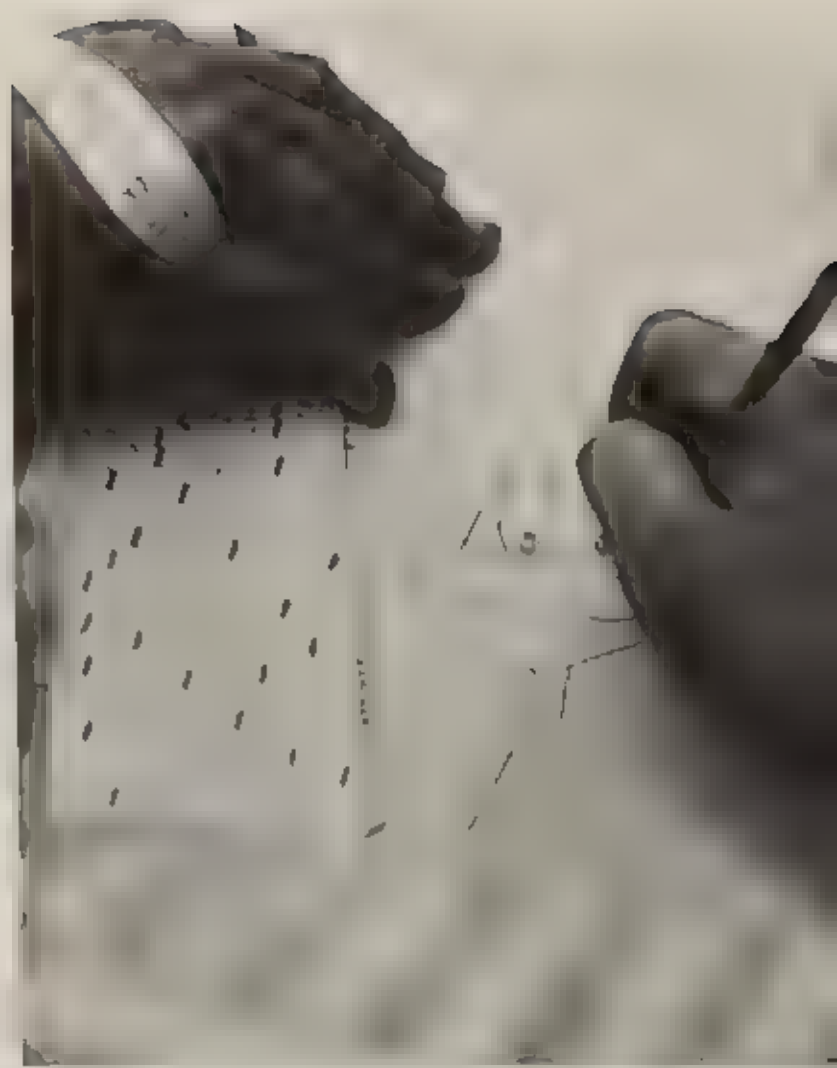

Marina Naito, Treasurer

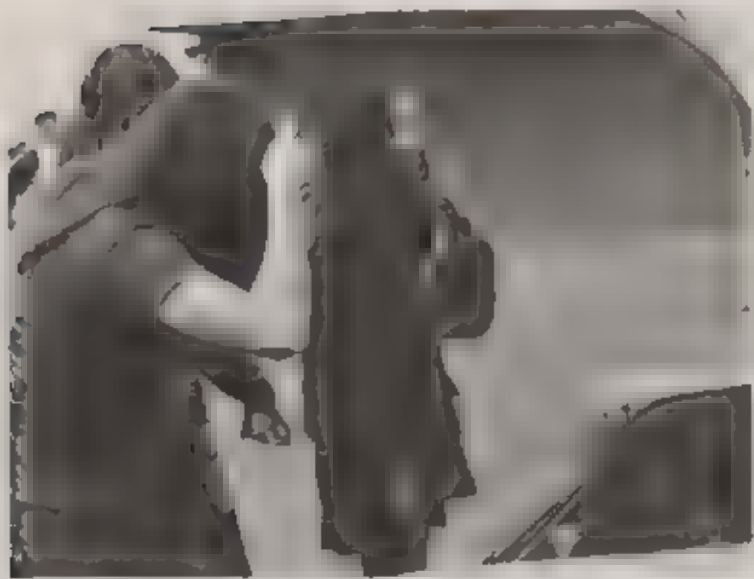

Academics

Kennedy High classrooms? What was it like in the year 1971-72? What happened then? What went on in the classrooms? With teachers? With students? And what did we accomplish? Much is explained through Academics!

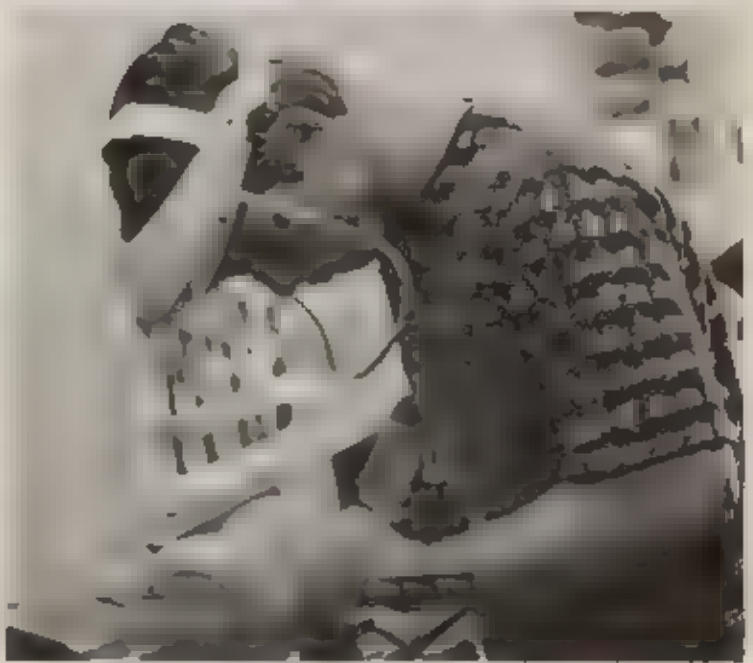

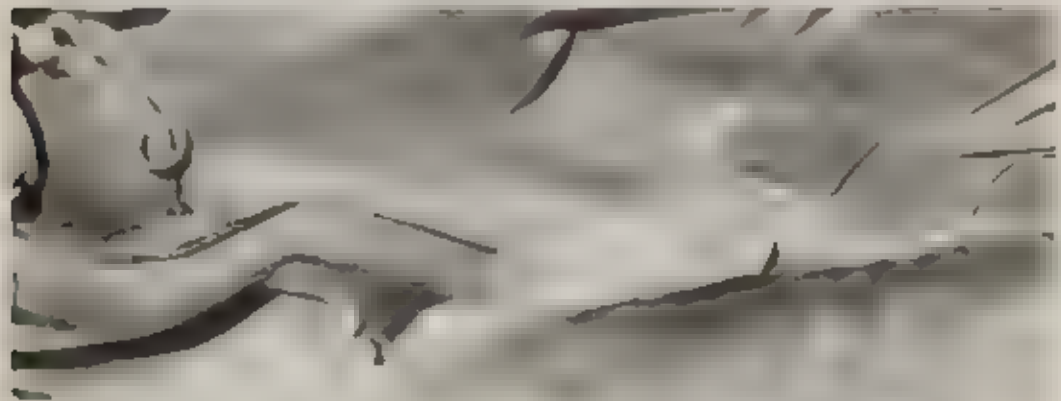

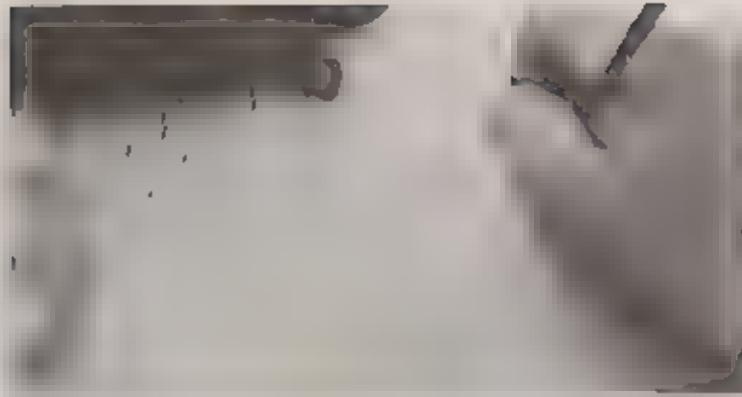

to Kennedy next year — I'm sure you don't think so
Anyway, come back and visit Herman and me ever
once in a while. Have lots of fun
with Dennis this summer and
forever. Keep Cool and may God
bless you always, Melody Fotheringham

Letter From the Coach

The season started with a nucleus of twenty-two lettermen from last years championship team. With this experience and a group of fine players up from the championship sophomore team, we were able to put together the finest football team in Kennedy's history.

Our first two wins of the season were practice games. Through the use of the long bomb, a good ground game, and a strong defense, we were able to defeat Bishop Montgomery, 21-14, and Foothill, 27-12.

The first league game of the season with Troy was a very hard fought victory. Capitalizing on a seventy-two yard drive we were able to score the winning touchdown in the fourth quarter and defeat the Warriors, 12-6.

Our only loss of the season came at the hands of the Fullerton Indians, 14-8. This may have been a blessing in disguise. Because of this setback, I believe our team became more dedicated than ever.

Our wins over Lowell, 48-14, and La Habra, 27-0, were accomplished by a ball control type offense and a hard-hitting, aggressive defense.

The Savanna game was one of our finest team efforts. The defensive team, with completely new and different defensive assignments, stopped the Stars and Striped offense cold. Offensively, we demoralized their team with the long touchdown pass and a strong running game.

The hardest hitting game of the season was played when we met the Sunny Hills Lancers. They were a very big, strong and fast team. Because of our aggressiveness and execution, we defeated them 16-10.

The final game of the regular season was a 41-16 win over the Coyotes from Buena Park. We executed with precision and took advantage of the many mistakes made by their team. With the win over Buena Park, we became co-champions with Fullerton and were selected to play Edgewood High School in the first round of C.I.F.

The Sierra League Champions were a big, strong team that relied on their passing attack. In devastating fashion our offensive line ripped holes in their defense as we hammered out a convincing 27-6 win.

Our next opponent was the top ranked team C.I.F., Pioneer High School. Our defense completely shut off their vaunted passing attack and also came up with an outstanding goal line stand in the fourth quarter to preserve a 14-0 victory.

We traveled to Encino the next Friday to face a well-drilled team from Crespi High School. The defense stopped their strong running game and contained their all-league quarterback. Offensively, we ground out the yardage to score three touchdowns to beat Crespi, 20-7.

The setting for the C.I.F. Championship game was the beautiful Cerritos Stadium. A crowd of over 11,000 people watched a determined Fighting Irish football team become AAA C.I.F. Champions by defeating West Covina, 14-0.

The statement that best illustrated the feeling of the players, coaches, and fans was made by our principal, Mr. MacPherson, at the end of the game, while presenting the trophy to our captains, he said, "How sweet it is."

My congratulations and best wishes to this outstanding team that will always be known as 1971 AAA C.I.F. CHAMPIONS.

ROBIN SEKIGUCHI
Head Cheerleader

In early summer the cheerleaders, Robin, Cheri, Cathie, Kim, Terry, Laura, and Vicki went to Redlands University for 5 days to represent JFK. In competition they won 4 first place ribbons and 1 second place ribbon for superior performances. For the last day of competition, they brought their spirit from JFK and easily won the "Spirit Stick" presented by the National Cheerleaders Association. They were also presented the trophy for being runner-up in the Sweepstakes competition

KAREN CLAGFR

First Semester

BERTIE BRUNS
REGINA HOWSER
Second Semester

DEBI KRUEGER — Head Songleader

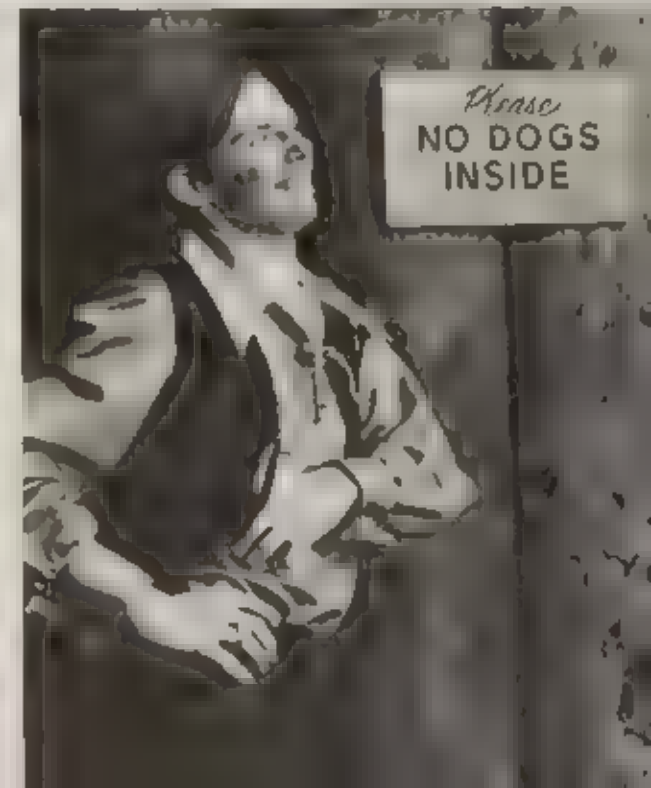

The Songleaders, Debi, Robin, Carol, Karen, Kim and Cathi also went to Redlands University early last summer to represent Kennedy High School. For excellent performances they brought back two first place ribbons and three second place ribbons.

Half-way through the school year, Karen was accepted by the Ice Capades and Kim graduated at the semester to go on to college to reach her goal. A bit of sadness was with the squad, but they soon brought up two alternates, Regina and Bertie, and continued doing 100% work in the remainder of the year.

Mascots for Kennedy High were Meg Mahoney and Pat Scales who were chosen by the Student Council by individual interviews. They helped the Cheerleaders and Songleaders in raising spirit at games and assemblies. Both Meg and Pat were perfect mascots, and represented Kennedy to their fullest.

LYDIA REED

ANNETTE GONZALES

JANE ROBBINS

BARBARA VANALLEN

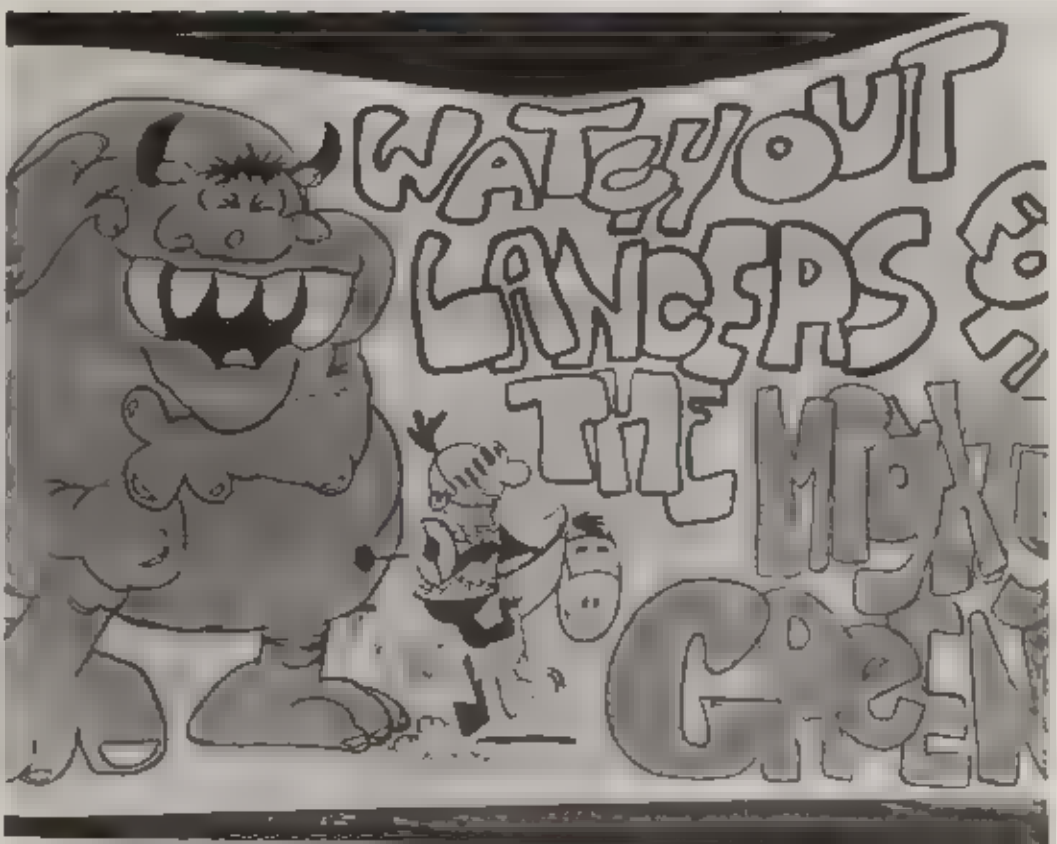

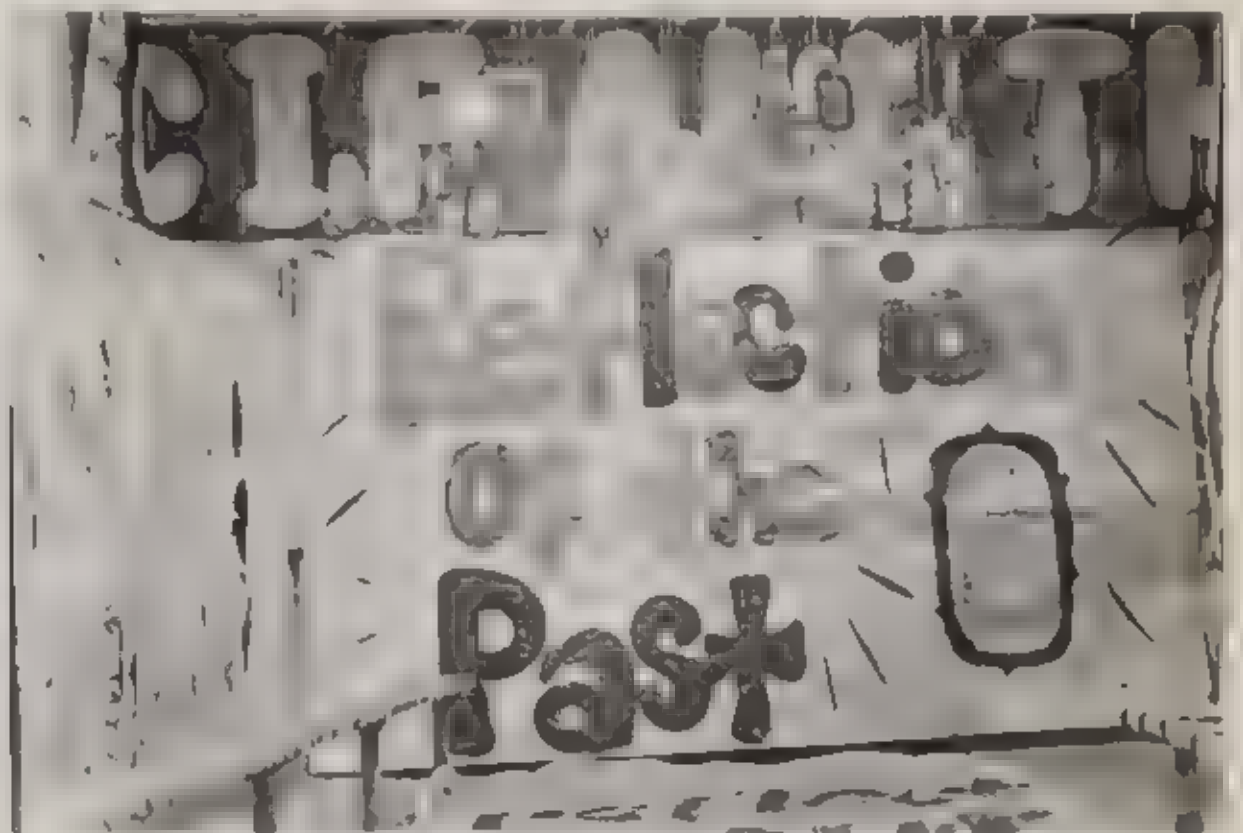

As the main promoters of the Irish Spirit of John F. Kennedy, the Cheerleaders and Songleaders worked very hard to make 1972 the most exciting year of Kennedy's history.

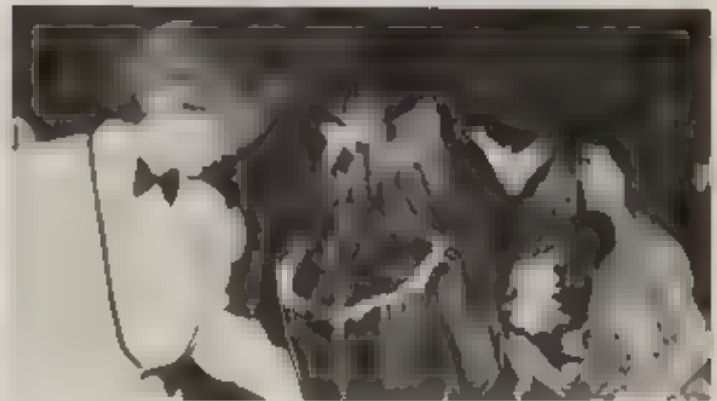

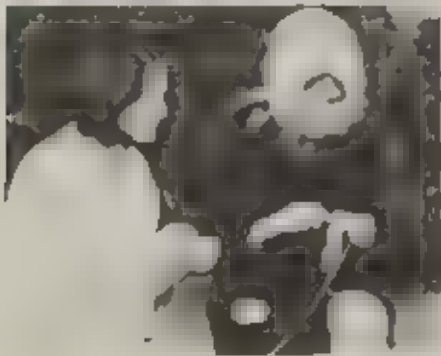

The job didn't stop with the leading of cheers at games, or performing at assemblies, but started with complete dedication from each girl. Painting signs, selling pep ribbons, decorating team rooms, preparing treats for the teams, practicing, and constantly planning new ideas. This was the life of our pepsters.

Promoting every sport to their fullest, and to keep the spirit lingering throughout the year, was the pepsters' chief goal.

Basketball Coaches

Coaches — *Left to Right:* Van White, Larry Bue, Glenn Bain, Len Bishop

With the underclassmen doing most of the playing, this year's Varsity Basketball team surprised just about everybody, including themselves.

After a surprisingly poor pre-season, which saw the Irish win but two of ten games, they headed into league play.

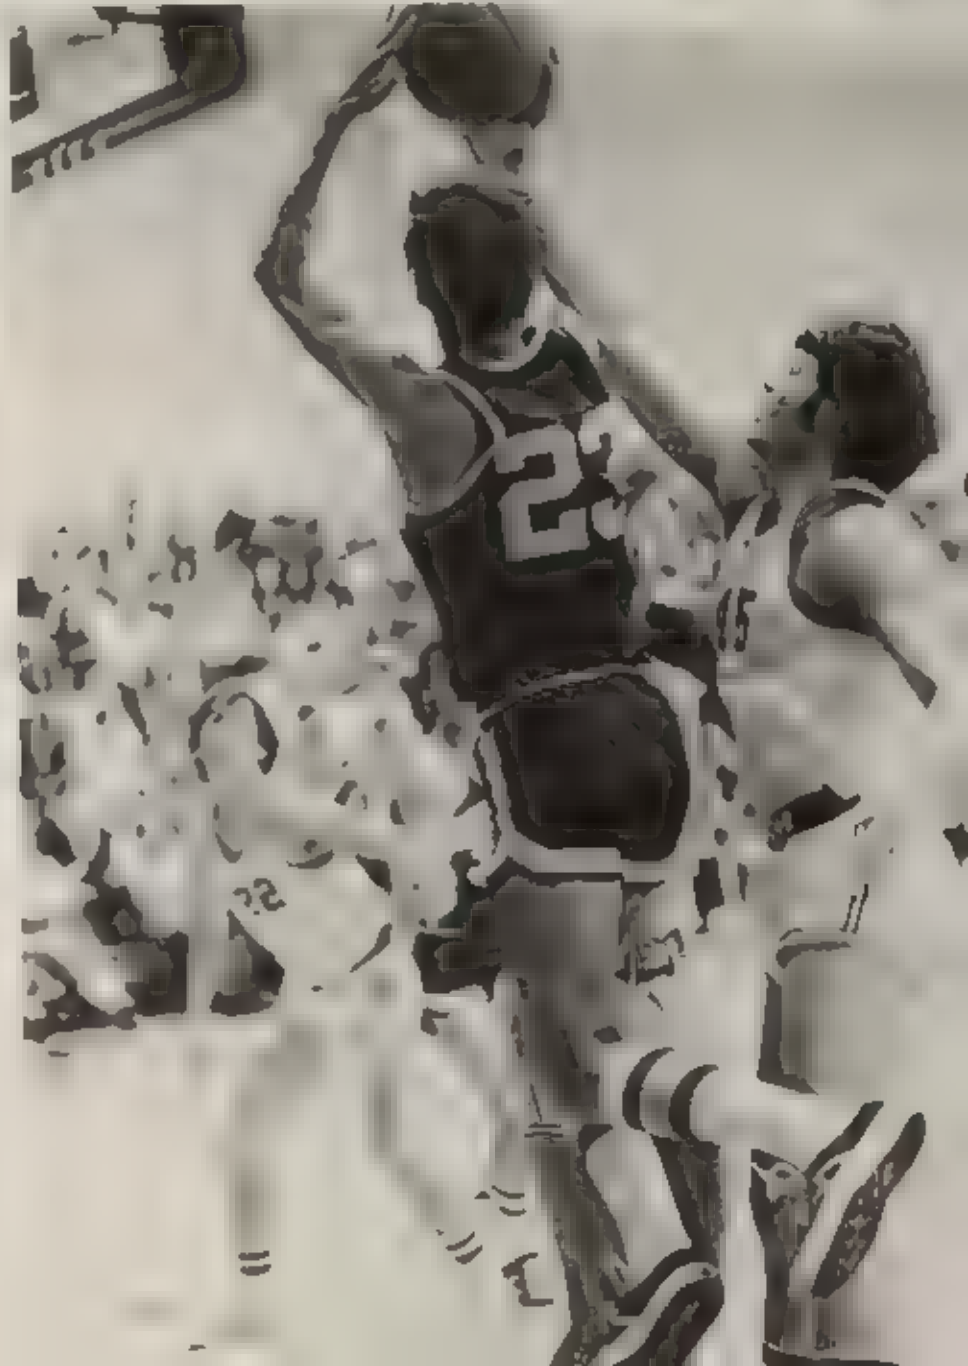

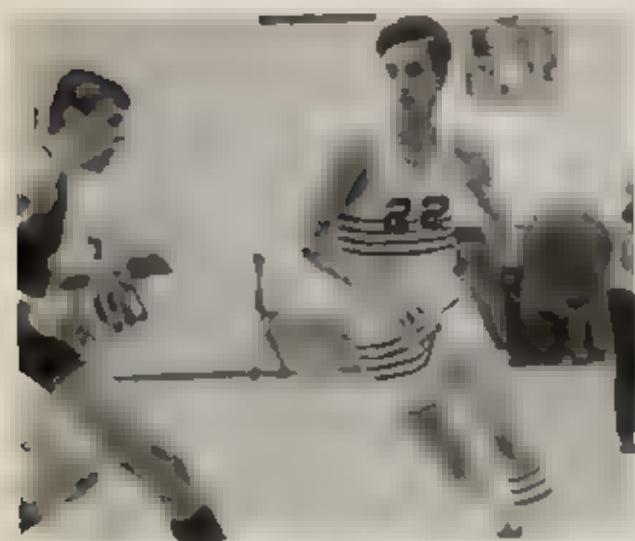

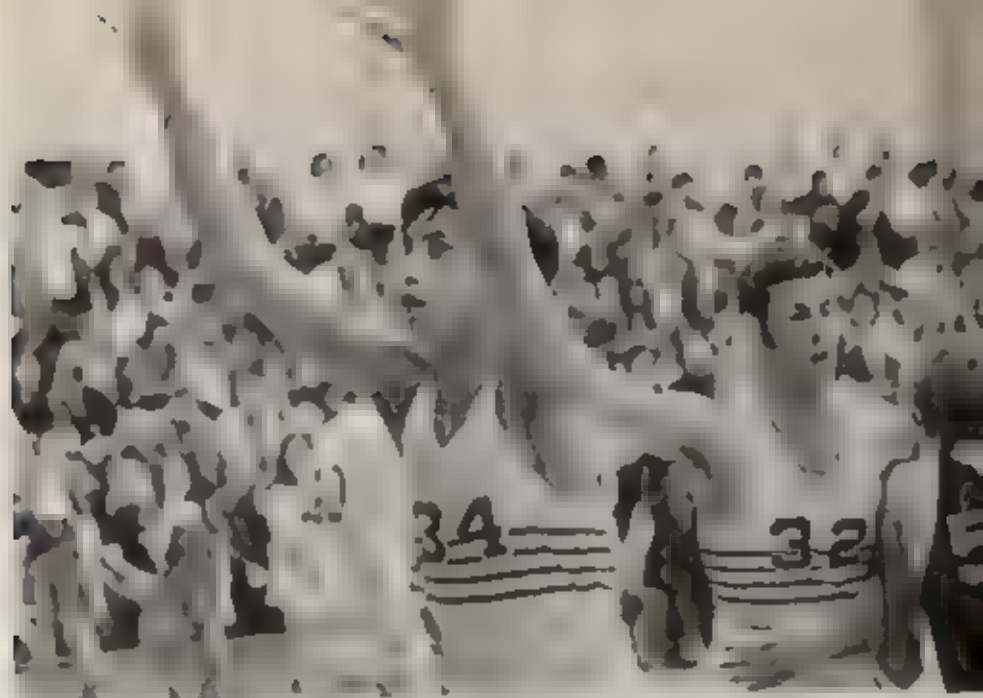

Following a surprisingly easy victory over Sunny Hills, to start off league action, the Irish were trounced by Buena Park. Then the Fighting Irish pulled off the biggest surprise of the year when they downed highly rated Troy.

But then the Irish dropped decisions to Fullerton and Lowell, teams they should have beaten. After giving league champs La Habra a scare, the Irish soundly defeated cross town rival Savanna.

The second round saw the Irish drop their first four contests, including a one point overtime loss to Buena Park, before defeating the Lowell Patriots by two.

This year was a building year for Kennedy basketball. Coach Bishop used five underclassmen, starting four of them. With the experience gained this year, and several fine players coming up from the J.V.'s, next year promises to be a good one.

Cagers In Action

Top: Porter attempts to block ball from Troy Warriors.

Middle Left: Jerry Smith in action

And The Band Played On . . .

The John F. Kennedy Fighting Irish Band marched through rain and sometimes mud, in uniform and costume to play music. They made their school proud of them and instilled tradition within our hearts

Don Liversage, *Senior*

"My three years at Kennedy have been great. The people have really been fantastic especially my personal friends. The thing I'll always remember is the great relationship between the coaches and players of our football team during the season. I also will remember the counseling department that I feel have helped me a great deal."

Dirk Kretschmer, *Senior*

"My three years at Kennedy have been really great. My senior year has been the best. We were co-champs of the freeway league and went on to be CIF Champions. Kennedy is a great school, it has great teachers and coaches. In my home town, they don't have schools that care about you as much as JFK."

Stan Allcorn, *Senior*

"The three years one spends in high school are supposed to be the most fun years of your life, and these three have been for me. But I'm sure I couldn't say this if they hadn't been spent at Kennedy. The joys of being part of a school where spirit really lives and people, both students and faculty, sincerely care are inexpressable in words."

Dave Edwards, *Junior*

"My first two years have been full of meeting people and winning championships. I was on the championship baseball team and the varsity football team. After high school I am planning to continue my athletic plans in college."

Mike Hopson, *Sophomore*

"I really enjoyed playing football as a sophomore and I'm looking forward to Varsity next year. Kennedy and its students are great and pride is a big part of our school. I think this year's CIF championship will help our class and the future classes keep this pride strong. The coaches and teachers are the ones that make it really great going to Kennedy."

Split Formation

Football Banquet, 1972

On the twentieth of January our men were honored by the city council of Buena Park at the annual Football Awards Banquet. Those, who received awards were, Mark Davison for Defensive Player of the Year; Jim Noe for Most Inspirational Player; Dennis Spinks for Most Improved Player; and Charley Judge for Offensive Player of the Year and Most Valuable Player. Emblems of gratitude were bestowed upon Pep Club, Band, Drill Team and the Girls Athletic Association, for services during the season.

C.I.F. Champs Honored At Disneyland, U.S.A.

Our Irish football team was honored by Disneyland on January 29. They marched victoriously down Main Street led by the band and drill team who were also honored. Everyone received an all day free pass to Disneyland adventures and amusements.

It's A Small World,
Zippededoodah, day,
When You Wish Upon A
Star . . .

Irish Colleens

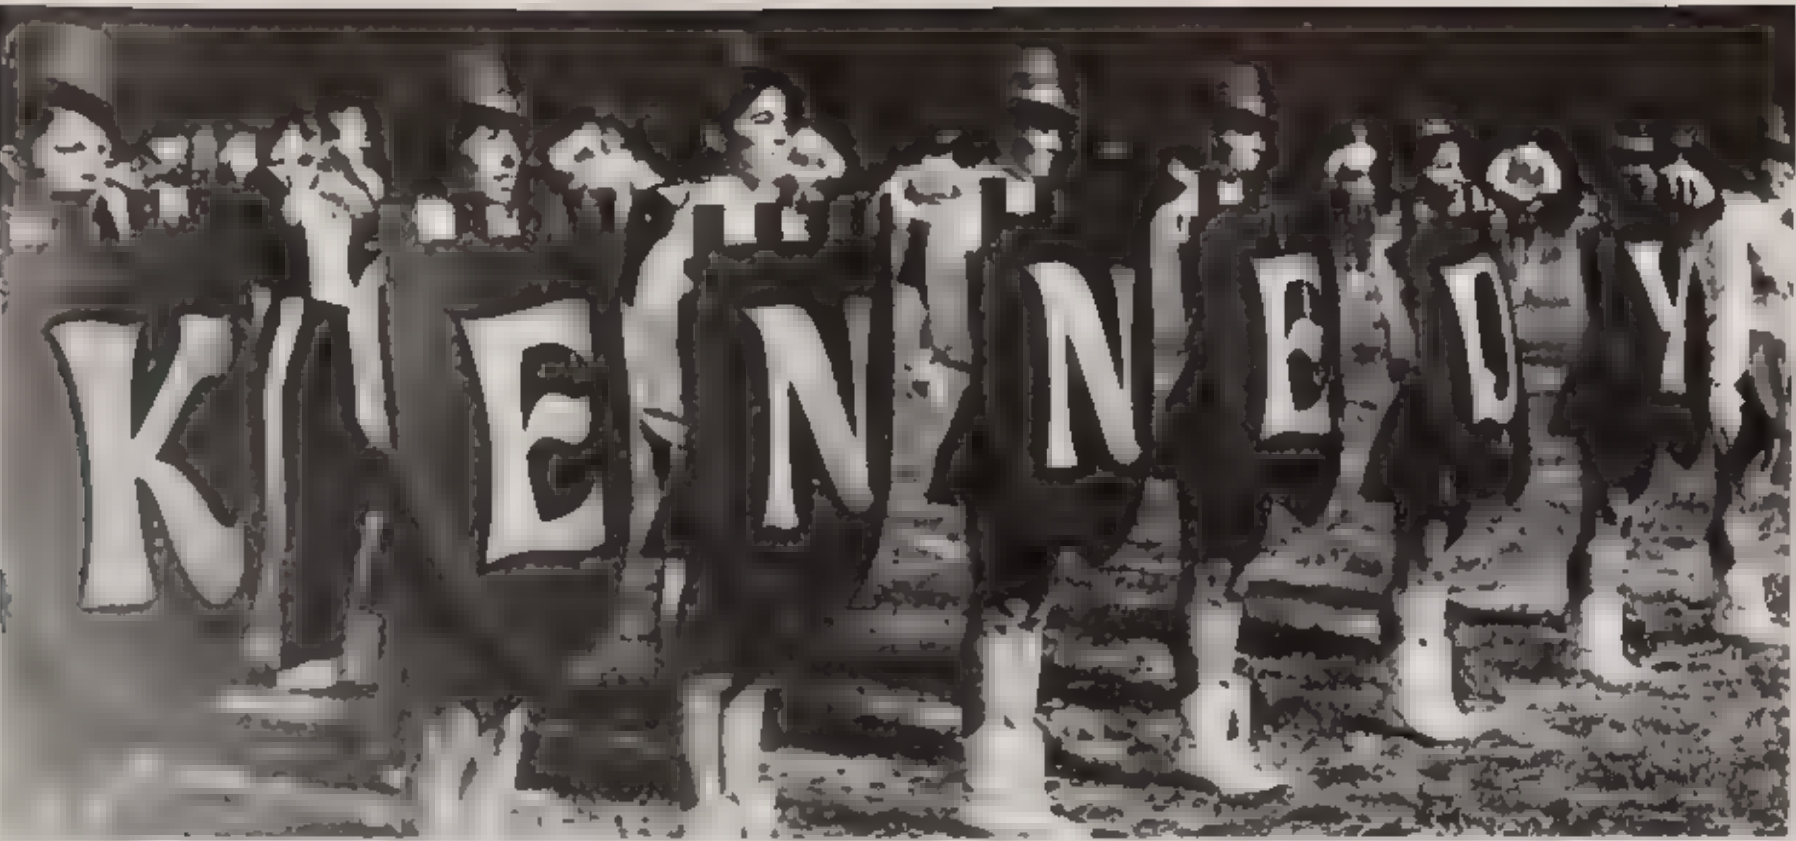

This year the Colleen Drill Team had the honor of performing for the C.I.F. Champion Football Team.

Not only did they perform for champions they were champions.

Placed in a more difficult category this year, the Colleens were still able to place high in every parade they participated in.

Practicing both before and after school the Colleens worked extremely hard. Finally, in January, their efforts paid off when they were given a free day at Disneyland along with the band.

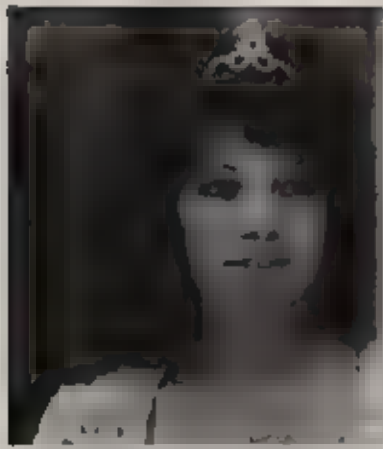

Donkey Basketball

On January 26, the Serv-Anns sponsored an unusual game of basketball. The team consisted of students and faculty members mounted on donkeys: students won 36 to 34. But the real victory was won by the crippled children who will benefit by the profits given them by the Serv-Anns.

Miss Irish

Vicki Vasco has been very active during her three years at Kennedy. In her sophomore year, as well as being a member of the Colleen Drill Team, she was elected class vice-president

In her Junior year, though holding no office she was very active in the Junior House and participated in the planning of the Jr-Sr. Prom. Vicki also acted as a counselor at the Cypress Outdoor School

Vicki has maintained a perfect 4.0 grade point average over 3 years and has been a member of C.S.F. for 5 semesters. She was a member of the Who's Who in American High Schools and nominated for the Outstanding Teenager of America award

In her senior year Vicki again acted as counselor for the Cypress Outdoor School. During her third year in Drill Team she acted as co-head leader and was in Sparks for her third consecutive year.

Vicki plans on attending California Lutheran College or Cal-State Fullerton, where she hopes to earn her degree in Elementary education.

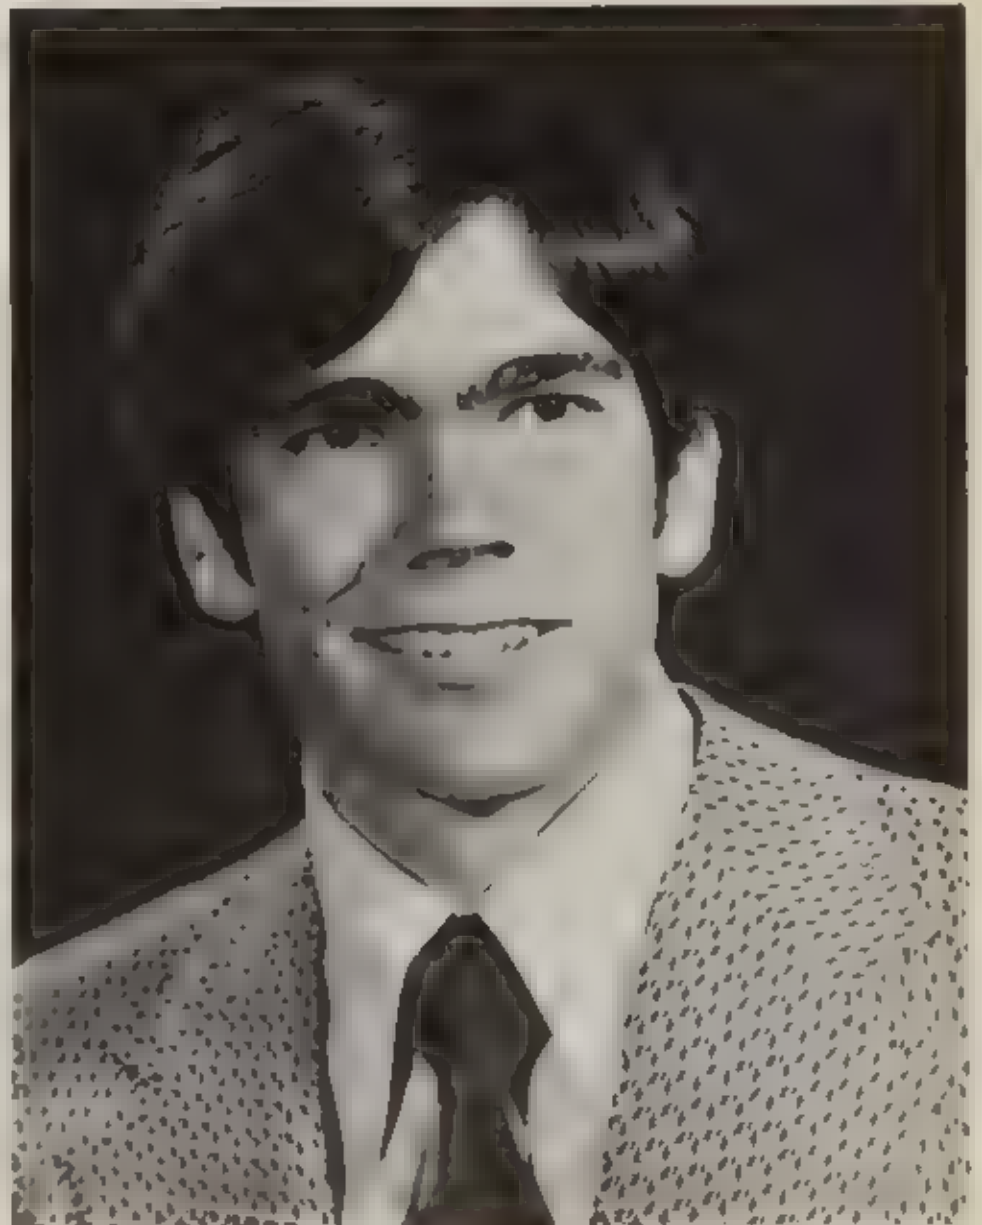

Mr. Irish

Stan Allcorn has been involved with school activities during his three years at Kennedy.

In his sophomore year he was a member of the Bee Football team and Captain of the B Basketball Team. He was also selected as most valuable golfer, in which he has participated for 3 years. In his junior year Stan served as class president. He holds a 3.8 Grade point average and is in Who's Who in American High Schools. Stan was a member of C.S.F. for 5 semesters and was also nominated as an Outstanding Teenager of America.

He has served as ASB president this year, and selected as Chairman of S.A.B. (Student Advisory Board) Stan's plans include Baylor University in Texas, earning a degree in history, and then going on into the field of law.

When asked what life at Kennedy has meant to him, Stan replied: "Learning, sharing, growing and meeting new friends."

Mr. Stan Allcorn

Miss Madeline Mendoza

Madeline, as the other nominees, has enlightened many fellow students with the spirit of ability. Ability to achieve goals despite any kind of opposition

In 1970, as a junior, she supported Kennedy and her athletes as a Varsity Cheerleader and also helped with the annual junior-senior prom in 1971.

Madeline's senior year is full of many happy and proud memories. She was elected A.S.B. Secretary, Treasurer of G.A.A., President of the new club — Pep Club. But probably the most outstanding memory will be the night she was crowned Homecoming Queen.

In the future Madeliene wants to be able to help others and then have a happy household.

Miss Sue Schlepp

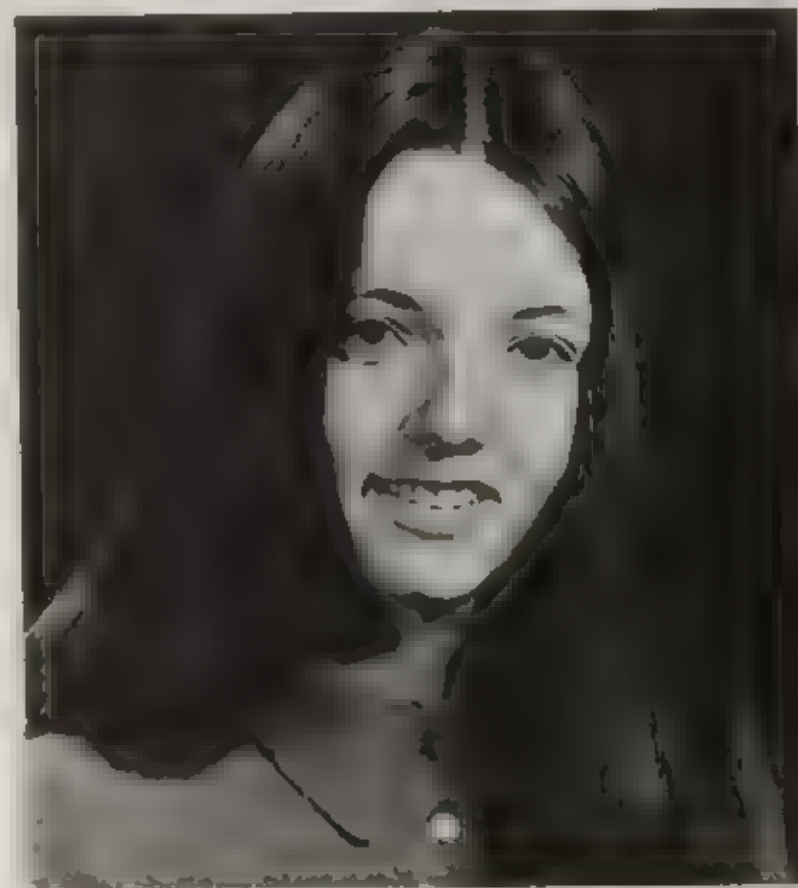

Sue, a strong worker for the class of 72 holds many honors for her past dedication to Kennedy.

She has been the backbone of the senior class, working as either chairman or just a hard working member, and without her this year might not have been quite so successful.

In her junior year she was C.A.S.C. delegate, a member of the House of Representatives, G.A.A. Board member, and earned the Gold Service Point Award

Sue is planning to teach children. her father being the influential factor in that decision.

She had this advice for the underclassmen, "You only go through high school once, if you don't get involved you'll not get anything out of it."

Miss Patti Roberts

Patti has been one more of the active members of council. She was a member of G.A.A. and Sparks for three years.

For the past three years she was a member of American Field Service (A.F.S.) including president in her Junior year.

Patti was selected to be a member of the Emerald Chain in her junior year as well as receiving the gold award and Sportsmanship Award of GAA.

This year she served as CASC delegate on Student Council and was nominated for Who's Who in American High Schools.

Patti plans to continue school as she studies to become a nurse.

Mr. Michael Fenley

Mike led the Senior Class as its president during his last year at Kennedy. The senior park, one of its many accomplishments, will be enjoyed for many years. He has played basketball and golf during his years at Kennedy. Mike has also served on the Student Council, House of Representatives, and the Student Advisory Board. He was a counselor for Cypress Outdoor Camp, and an editor of the Shamrock and The Eternal Flame.

Mike plans to go to Fullerton College and then on to Santa Barbara University and major in police science.

He also had the responsibility of arranging Grad-Nite for the seniors.

Mike's accomplishments cover a wide area of responsibility in sports, student government, and publication.

Mr. Fred Glass

This year's Senior Class vice-president, Fred Glass, has been involved in many other areas of school activities in addition to student government.

In his sophomore year Fred was involved in Bee football, Bee basketball and Bee Track. He was nominated for Most Preferred man in his junior year, played varsity football and track. He was an active member of the House of Representatives in which he served as secretary for a semester.

Fred was involved in the French Club for three years and Varsity K Club for two.

In his senior year he again participated in sports and was elected Vice president of the Senior Class.

Mr. Keith Kessler

Keith has worked in many different areas during his three years at Kennedy. He was a member of the Swim and Water Polo Team with such awards as Most Valuable, Most Inspirational and Captain.

He was an active member of the Soph., Junior, and Senior House along with his involvement in Key Club and Varsity K Club.

Keith served his school as a member of the student council for 2 years. During his first term he was Grounds Commissioner and in his Senior year he was elected ASB Treasurer. Keith plans to go to Cypress College next year and to go into the field of Engineering.

P.O.W.'S NEVER HAVE
A NICE DAY

G O PLACIDLY AMID THE NOISE & HASTE, &
REMEMBER WHAT PEACE THERE MAY BE
IN SILENCE. AS FAR AS POSSIBLE WITHOUT

surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. ☛ Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. ☛ Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. ☛ Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. ☛ Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. ☛ You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. ☛ Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. ☛ With all its sham, drudgery & broken dreams, it is still a beautiful world. Be careful. Strive to be happy. ☛ ☛

Senior Traditions

Senior Fighting Spirit

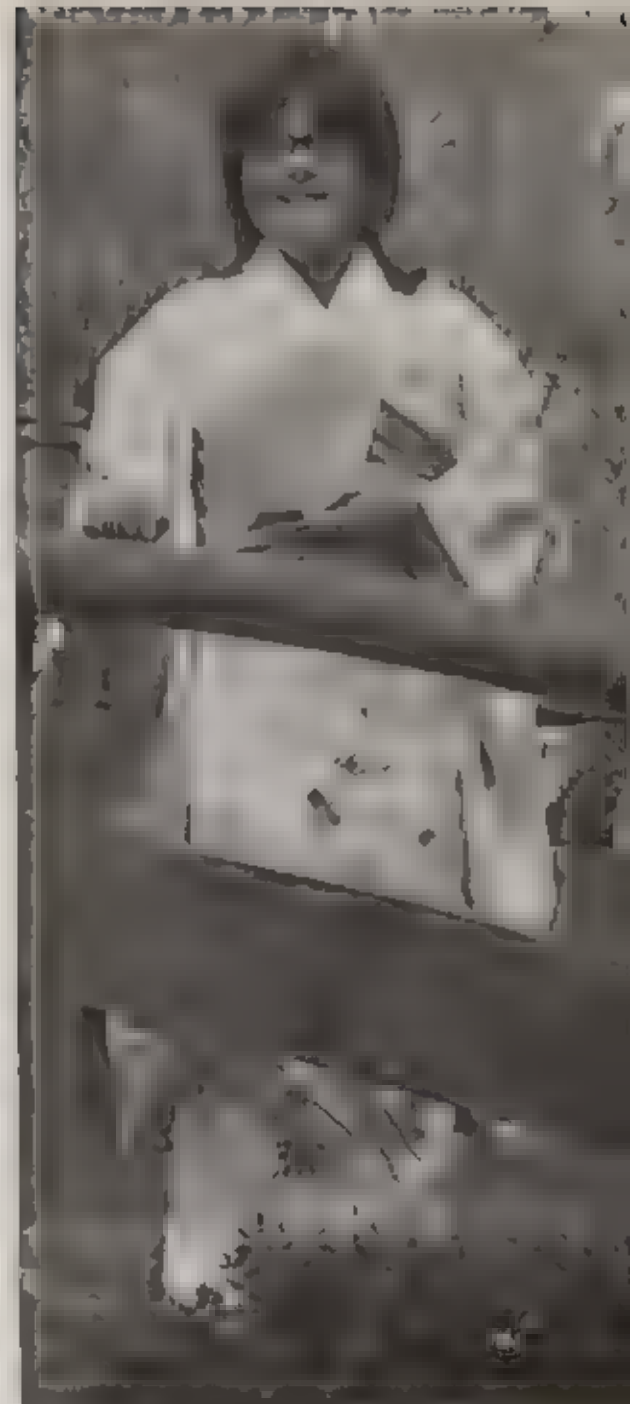

Since Kennedy's first graduating class in 1966, many traditions have evolved. Most of these we now take for granted. Some traditions have disappeared, such as senior parking places and senior ditch days. Some are constantly being changed, as were the graduation announcements this year. Senior Week is no doubt the one tradition most looked forward to by the seniors, except for graduation and Grad-Nite, of course. The senior banner is also a long standing tradition as is the Blarney Stone and the Senior Circle. Kennedy High School is going and still growing. Traditions are still forming. Let it never be said that the class of 1972 did not do their part . . .

Junko Kitta

Each year Kennedy receives a new foreign exchange student. This year Kennedy was fortunate to have Junko Kitta from Yokahama, Japan

June has stayed with AFS president, Mary Stout. Since she arrived in June she has led an eventful and enjoyable year

Among the numerous American High School memories June has experienced and will always remember are football games, Christmas Formals, and other activities. June will now be able to take home with her a part of American culture that she can share with her people at home.

June has definitely gained a broader knowledge of the American people as we have of the people of Japan. She has added another brick to the bridge of foreign relations, with a sister nation.

Foreign Exchange Student

A Letter From The ASB President

To summarize three years of learning, sharing, growing and meeting new friends in a few short paragraphs is an almost impossible task. Yet any Senior can tell you that in his three years at Kennedy he faced many challenges which he at first termed "impossible," but somehow they were all overcome.

Learning, sharing, growing and meeting new friends is what high school is all about. The learning aspect is not concerned as much with teaching us thousands of unrelated facts, as it is with teaching us *how* to learn. There are different ways of doing different things, including learning. At Kennedy I've found that there is an easy method to follow in learning some things, but for others there is no easy way. For some problems you simply have to work hard to find a solution.

Sharing is a big part of high school also, and most of it involves sharing your emotions. You really know what I'm talking about if you have participated in sports. There's a sharing of joy with your teammates after a victory that can't be expressed in words. Then being able to face defeat together, to share the pain while at the same time sharing the pride you have in your school. This kind of sharing is one of the most important things we acquire while we're at Kennedy.

The growing aspect involves many different types of growth. There's the physical growth which hopefully comes to us all. A mental growth, which comes by using and exercising our minds. And finally there comes a most important part of growing and that is our maturity. Even as seniors we still like to have fun and do things which might seem a bit strange to those older than us. Yet now we have matured enough so that we are able to cope with many if not all of the problems which may be thrown upon us. This type of maturity is an essential in today's world. In fact, it should be a requirement for graduation. For without it, we really haven't graduated at all.

Finally, the most exciting thing about high school is the opportunity to meet and make new friends. At Kennedy you can find just about any kind of person you are looking for. There are people with personalities similar to yours, interests the same, and even views and opinions the same as yours. Learning, sharing and growing with them as they learn, share, and grow with you makes this type of high school friendship a unique experience.

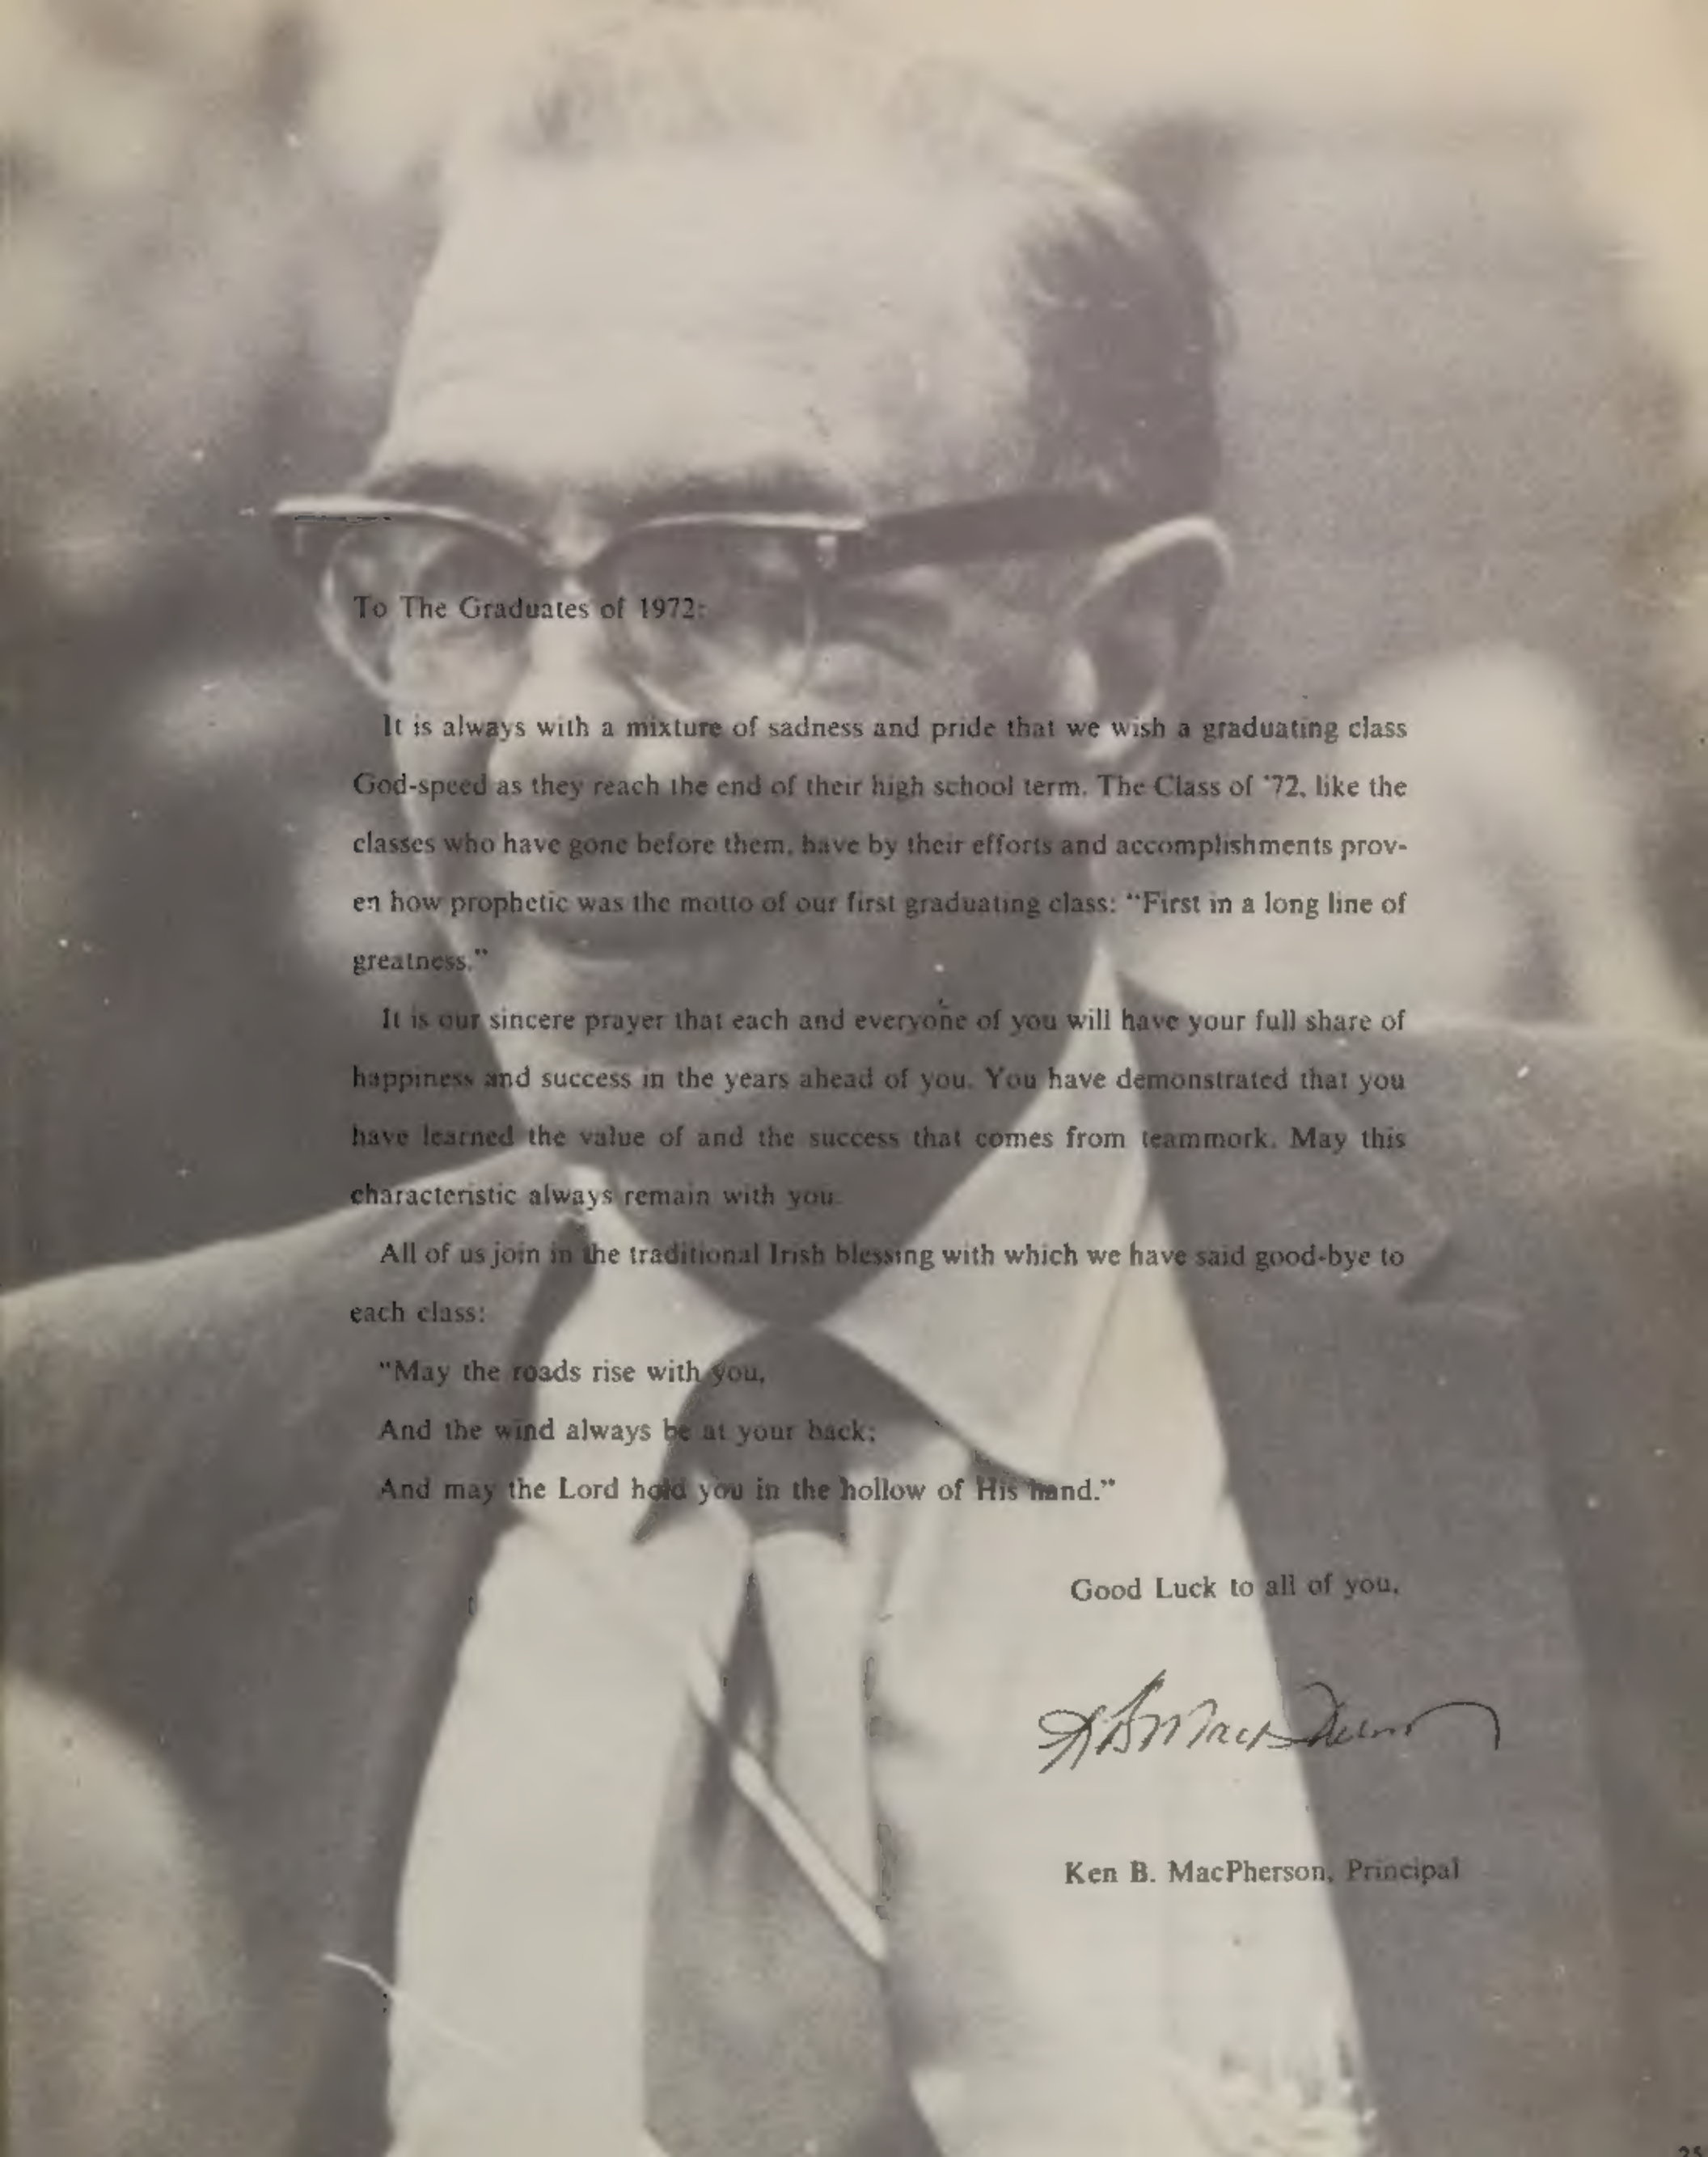

There is no better place to acquire these four aspects of high school life than at Kennedy. The fact that we have a spirited student body and an administration and faculty that cares, provides an ideal atmosphere for a high school campus. But unless you put into use these four attributes after you have graduated from Kennedy, then your three years here will have been wasted. Be open to opportunities of learning, whether it be from parents, from teachers, or from God. Then be willing to share what you have learned with others and be willing to help others grow. If you continue to practice these three things, then you will no doubt meet many new friends wherever you are.

Thank you for being a part of Kennedy, for making it the school that it is. And may God bless you throughout your life.

Sincerely,

A handwritten signature in cursive script that reads "Stan Allcorn". The signature is fluid and elegant, with a large, stylized 'S' and 'A'.

Stan Allcorn
ASB President, 1971-72

To The Graduates of 1972:

It is always with a mixture of sadness and pride that we wish a graduating class God-speed as they reach the end of their high school term. The Class of '72, like the classes who have gone before them, have by their efforts and accomplishments proven how prophetic was the motto of our first graduating class: "First in a long line of greatness."

It is our sincere prayer that each and everyone of you will have your full share of happiness and success in the years ahead of you. You have demonstrated that you have learned the value of and the success that comes from teamwork. May this characteristic always remain with you.

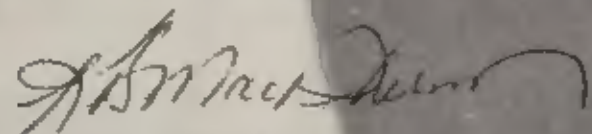

All of us join in the traditional Irish blessing with which we have said good-bye to each class:

"May the roads rise with you,

And the wind always be at your back;

And may the Lord hold you in the hollow of His hand."

Good Luck to all of you,

Ken B. MacPherson, Principal

1972 is another year in which thirty-five high school students try to publish a yearbook.

Sometimes the production of a book is a smooth, clean operation; sometimes it is jerky and inconsistent. The latter is often the case when you have a coaching staff who pride themselves in harrassing photographers; when a Board of Trustees archaic rules and regulations prevent a staff from developing new revenue, and when there's internal friction stemming from Editors who have differing points of view.

The 1972 Eternal Flame could not have been possible without:

- 1) Diana's patience and sense of organization
- 2) Walter Kiwas' quality, consistency and reliability in photography.
- 3) Mr. Mooney's way of telling us when we were on the brink of disaster.
- 4) Mr. Macpherson raising the price of the book so we wouldn't go into debt again.

In closing I'd like to say one thing; it's been a long year and TGIAO*

* THANK GOD IT'S ALL OVER

Robert Svensk

Being editor of the Eternal Flame has really been an experience for me!

There were times that were enjoyable and others I thought totally unbearable; yet I survived the pleasures and the pressures and came out, I think, a better person. Besides gaining the knowledge that comes naturally from working on such a project, I learned how wonderful people can really be.

The staff consisted of a marvelous group of people who were willing to work hard in order to produce this new, different and outstanding yearbook. I would especially like to thank: Bruce, Robin, Ron and the photographers for enduring the many complaints and hassles coaches can and do give; Jayne, who besides doing Activities also put up with both my depressed and ecstatic moods; Amy, for handling well the Underclass section; Kathy and Rowena who did a superb job with Organizations; Michael, Ray and Kim who produced the best Senior section ever; Walter and Randy who worked long hard hours to give us some of the greatest photography we have ever had; and of course Bob, whose ideas, talents and presence kept the book going.

Special thanks to Mr. Mooney, our leader and advisor; Mr. Nick Lee and Taylor Publishing Company for their great help and cooperation; and Albert and James Photography Studios who did many a "rush" job for us. A very special thanks to the very special parents of this very special staff who were so understanding and patient.

I would also like to acknowledge the long hours put in by some members of the staff. Although it is not easy to think at 6 A.M. after working steadily since 12 the previous afternoon, they did it and did it well.

To my successor I submit this little bit of advice: Listen to all sides patiently, weigh the pros and cons, then decide what is best. Also, never be afraid to admit your mistakes . . . *when and if* you make any.

Thanks and Love,
Diana Christian

P.S. Who left the pizza crumbs and dirty Polack jokes at my house???
